One Nation Under God Psalms 33:12

Pres. Eisenhower

"Without God there could be no American form of government, nor an American way of life. Recognition of the Supreme Being is the first – the most basic – expression of Americanism. Thus the founding Fathers saw it, and thus with God's help it will continue to be."

One Nation Under God The Blessing of a Godly Heritage

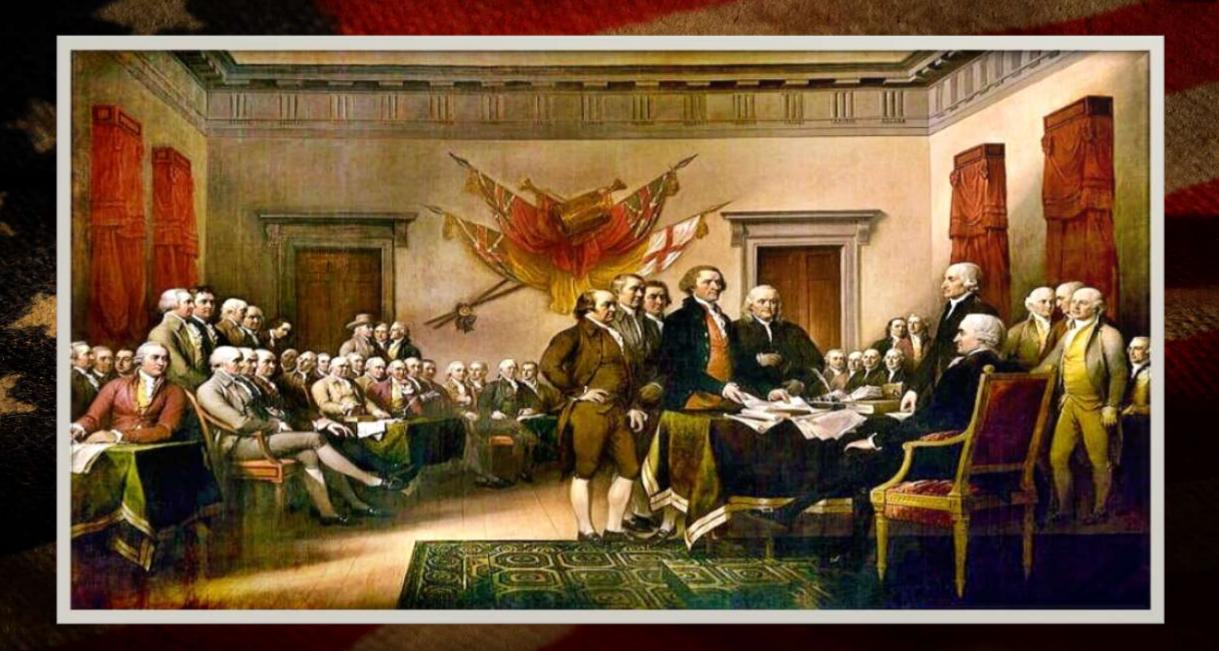

"... for the propagating and advancing the kingdom of Christ in the remotest parts of the world..."

William Bradford

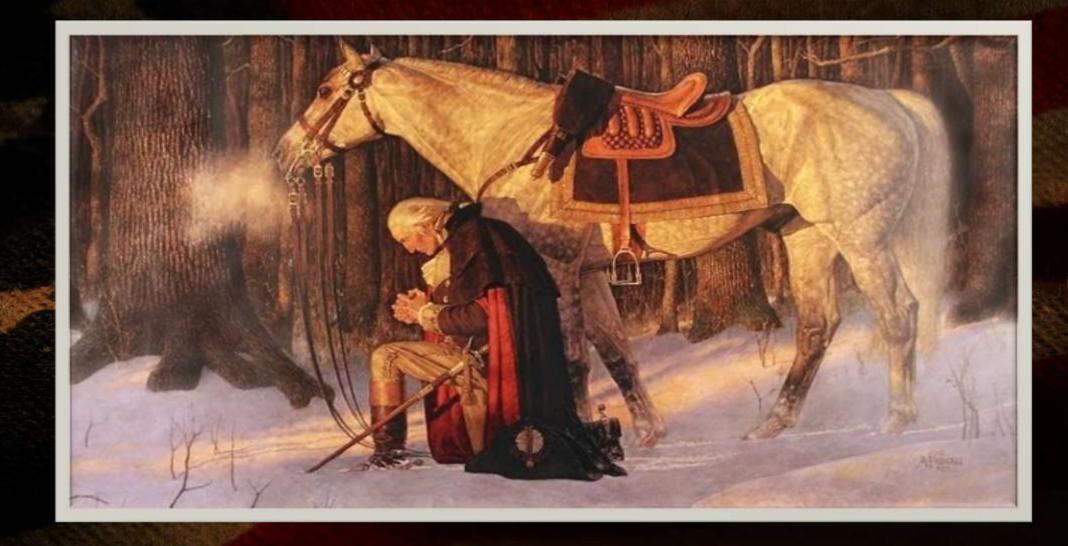

Noah Webster

"Let us not forget the religious character of our origins. Our fathers were brought here by their high veneration for the Christian religion. They journeyed in its light, labored in its hope and sought to incorporate its principles into elements of society."

Patrick Henry

"It cannot be emphasized too strongly or too often that this nation was founded not be religionists, but by Christians, not on religion but on the Gospel of Jesus Christ."

Samuel Adams

Patrick Henry

"I have now disposed of all my property to my family; there is one thing more I wish to give them, and that is the Christian religion. If they had that and I had not given them one shilling, they would be rich, and if they had not that, and I had given them all the world, they would be poor. This is all the inheritance I give to my dear family. The religion of Christ will give them one which will make them rich indeed."

"I entreat you in the most earnest manner to believe in Jesus Christ, for there is no salvation in any other."

John Witherspoon

"I am a Christian. I believe only in the scriptures and in Jesus Christ my Savior."

Charles Thomson

"My only hope of salvation is through the infinite transcendent love of God manifest to the world by the death of His Son upon the cross. Nothing but His blood will wash away my sins. I rely exclusively on it. Come, Lord Jesus! Come quickly!"

Harvard - "Truth for Christ and the Church"

Yale - *"every student shall consider the main end of his study to know God in Jesus Christ"*

Princeton – to train ministers of the Gospel. "cursed be all education that is contrary to the cross of Christ."

King's College (Columbia) – "to teach and engage children to know God in Jesus Christ"

Dartmouth – to raise up missionaries to the Indians

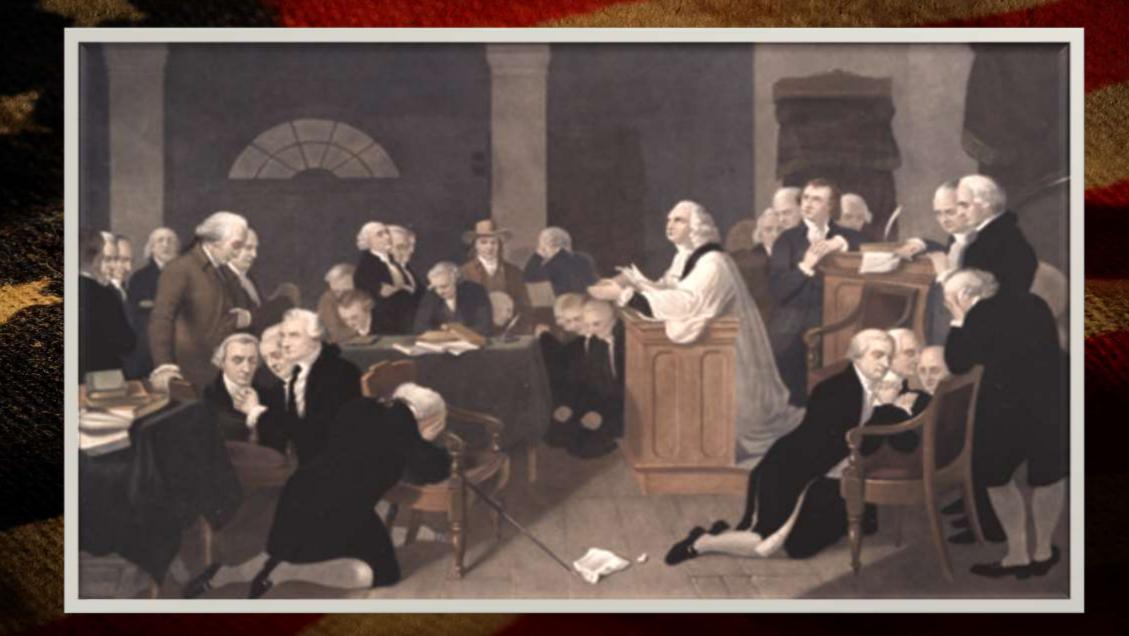

Of the first 108 colleges founded in this country 106 were founded upon the Christian religion. For 217 years, from 1620 – 1837 virtually all education in America was Christian. <u>Christian education was the foundation of</u> <u>American culture.</u>

"Every civil government is based upon some religion or philosophy of life. Education in a nation will propagate the religion of that nation. In America, the foundational religion was Christianity. And it was sown in the hearts of Americans through the home and private and public schools for centuries. Our liberty, growth, and prosperity was the result of a Biblical philosophy of life. Our continued freedom and success is dependent on our educating the youth of America in the principles of Christianity."

Noah Webster

John Adams – "Our constitution was made for a moral and religious people. It is wholly inadequate for the governing of any other."

James Madison – "We stake the whole future of America's civilization, not on the power of government, but upon the capacity of each citizen to govern themselves according to the 10 commandments."

"... We have been assured in His sacred writings that, 'except the Lord build the house they labor in vain that build it." I firmly believe this; and I also believe that without His concurring aid we shall succeed in this political building no better than the builders of Babel I therefore beg leave to move that henceforth prayers imploring the assistance of heaven, and its blessings on our deliberations, be held in this assembly every morning before we proceed to business."

Benjamin Franklin
